

# Commission 7

## 2019-2023

SURVEYORS EXPERIENCE IN THE WORLD

LAND IS ABOUT PEOPLE

**PEOPLE-LAND RELATIONSHIP IS UNIQUE FOR EACH CULTURE**

**TODAY, YESTERDAY AND TOMORROW, CONFLICTS ARE ABOUT LAND**

**LAND MANAGEMENT STARTED WITH TAXATION**

**SUSTAINABLE DEVELOPMENT IS THE GOAL TODAY**

2018

2017

Comm 7 has  
characterized  
for being a  
space for  
colleagues to  
discuss ideas

# I propose flexibility as the main operational mechanism of the Comm 7

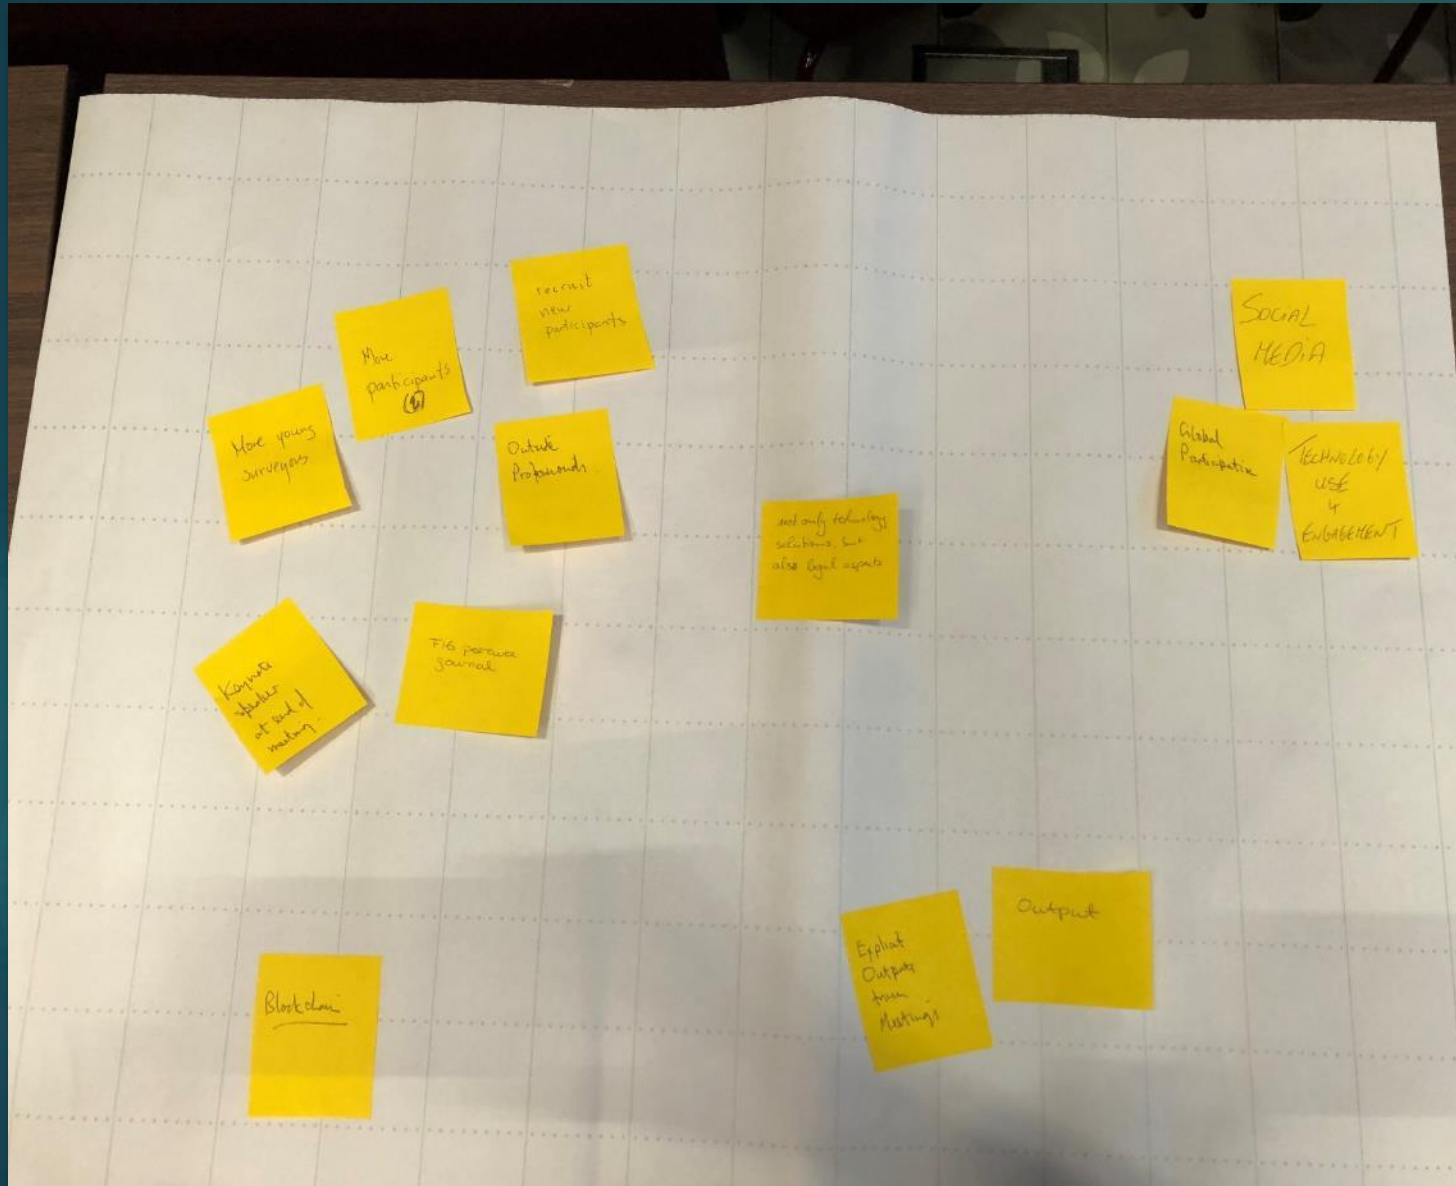

- ▶ Co-Chair: Paula
- ▶ Flexible working group terms
- ▶ Communication with members using multiple mechanisms
- ▶ Multi-language (French and Spanish)

What do you like most of being part of FIG commission 7?

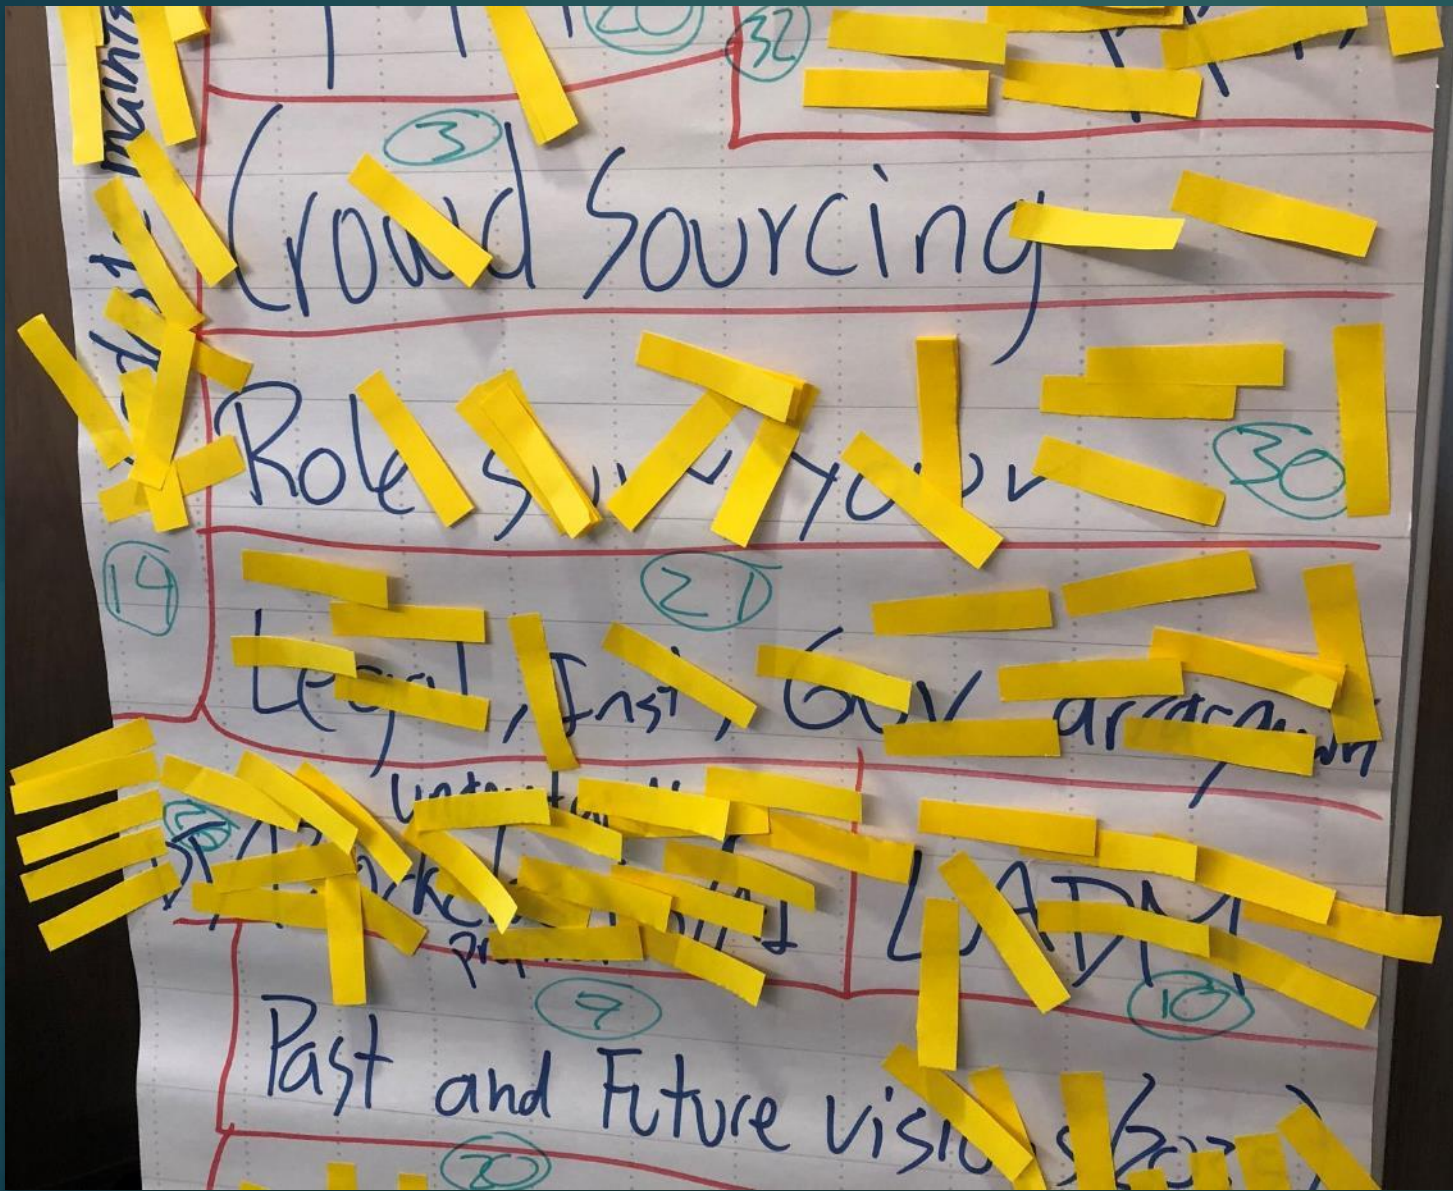

0 1 8

A word cloud visualization of survey responses. The words are arranged in a dark blue background with varying font sizes and colors (white and light blue). The most prominent words are 'networking', 'exchange of experiences', 'globally', 'exchange', and 'information'. Other visible words include 'international inspirasion', 'knowledge', 'sharing experience', 'hard', 'issues', 'global', 'making', 'change', 'overwiev', 'segment', 'thinking', 'meeting colleagues', 'work', 'people', 'locally', 'solving', and 'sharing'.

Clearly our members appreciate Networking opportunities

Members provided a lot of ideas for a better commission

We developed a voting system to guide commission priorities

# Voting revealed the view of the members

- **Public, Private, Partnership: 32**
- **Role of Surveyor : 30**
- **Blockchain / AI / Prop-tech : 25**
- Legal, Institutional Governance arrangements : 21
- Urban Agenda : 20
- Fit For Purpose Land Administration : 20
- Cadastre Maintenance : 14
- LADM : 10
- Past & Future visions : 7
- Citizen Cadastre : 5
- Crowd Sourcing : 3
- ICT : 1

The proposal is to have 4 working groups at any one time

Working Group	Topic	Chair	Proposed term	Outcome
7.1	Cadastre technologies and the digital twin	Mr Jang (Korea)	2 years	Position paper
7.2	Fit for purpose	Puala Disjkstra (Netherlands)	2 years	Discussion paper update publication
7.3	Cadastre template and the SDGs	Daniel Steudler	4 years	Publication in Amsterdam
Join 7,8 9	Urban resilience, valuation and property rights	3 co-chairs (Chryssy from Com7)	4 years	Position paper, WW session
Future	PPPs in land Administration		2 years (starting 2021)	Position paper
Future	The role of the cadastre surveyor in the future		2 years, starting 2021	Green paper

# Commission 7 had a very productive week

- ▶ 10 sessions
- ▶ 4 co-hosted sessions with other commissions
- ▶ 3 special meetings
- ▶ 1 social dinner
- ▶ 1 site visit to Hanoi registration office
- ▶ Many information discussions

Mika

Abbas

Ian

Special invitees of the Commission provided a positive and dynamic environment in Hanoi

# Commission delegates approved our WorkPlan and proposed implementation strategies

- ▶ Sustainable Development goals (SDGs) and the cadastre template
  - ▶ work cooperatively with UN, WorldBank and the other efforts
- ▶ Digital twin and smart 3D cadastre information:
  - ▶ build capacity among FIG members, continue collaboration with Commission 3
- ▶ Fit-for-purpose:
  - ▶ explain, discuss, consolidate
- ▶ Urban challenges
  - ▶ explore deeper the issues for low income population, keep cooperating with commission 8 and 9.

# Colombian and Korean surveyors are bound by more than coordinates

- ▶ 1951 Colombia joined the Korean War
- ▶ Only Latin-American country that answered the call by the United Nations
- ▶ Almost 5000 Colombian soldiers in three war ships travel to Korea from 1951 and 1953
- ▶ Koreans have a special place in the heart of all Colombian surveyors
