The FIG Foundation is an independent body under the International Federation of Surveyors (FIG)

The Foundation was established for the purpose of raising funds to finance surveying education and development projects, to promote high standards of education and training for surveyors, and to facilitate continuing professional development in order to build a sustainable future

The Foundation is administered by the FIG Office in Copenhagen and directed by a Board of Directors appointed by the FIG Council

FIG Foundation 20th anniversary (2001-2021)

THE FIG FOUNDATION

*Celebrating 20 years
of Building a Sustainable Future
2001 - 2021*

This year marks the 20th anniversary of the FIG Foundation

On 11 May 2001, at its last session of the FIG Working Week in Seoul Korea, the FIG General Assembly endorsed the statutes of the FIG Foundation, established by transferring the former Education Foundation from Australia to the FIG office in Denmark.
