FIG Working Week 2016

The screenshot displays the TruView software interface. The main window shows a 3D point cloud of a building and parking lot. A horizontal grey line is drawn across the scene, supported by a blue vertical pillar. A red horizontal line is also visible on the pillar. The interface includes a top toolbar with icons for Snapshots, Snapshot Markup, 3D Measure & Hotlink, and a Categories dropdown. On the left, a sidebar lists: Snapshots (3), Markups (0), Measurements (0), Hotlinks (1), and Colors / File Mgmt (0). The bottom status bar shows '100%' zoom and '11:25 p.m.' time.
