YS FROM **65** COUNTRIES HAVE BEEN TRAINED TO BE STDM TRAINERS

Volunteer Community Surveyor Program

An initiative of UN-Habitat GLTN and FIG Young Surveyors Network

Israel O. Taiwo, Nigeria
participated in the VCSP in Uganda

GLTN Partner Organisation:
Ministry of Lands, Housing and
Urban Development Uganda

'The program provided me with an
opportunity to transfer knowledge and
skills on the application of Fit-For-Purpose
tools for mapping customary land rights.
On a lighter and very sincere mood, the
people here are warm and welcoming;
the teams are active.'

Volunteer Community Surveyor Program

An initiative of UN-Habitat GLTN and FIG Young Surveyors Network

Shristi Paudel, Nepal
participated in the VCSP in Nepal
GLTN Partner Organisation:
UN-Habitat Nepal & HURADEC

'Namaste. The VCSP for me was life-
changing. For the community we were
working here in Nepal and for me
professionally. It is a powerful driver for
both social impact and professional
development'

Volunteer Community Surveyor Program

An initiative of UN-Habitat GLTN and FIG Young Surveyors Network

Brenda Ayo, Uganda
participated in the VCSP in Uganda

GLTN Partner Organisation:
UCOBAC (Uganda Community Based
Association for Women & Children Welfare)

'Volunteering with UCOBAC in the Uganda
was amazing and I learnt so much on how to
carry out mediation on land issues - very
important especially in regards to customary
land. Also through my participation in the
VCSP i received a full Master Scholarship -
so it really has a huge impact on my
professional life.'

Volunteer Community Surveyor Program

An initiative of UN-Habitat GLTN and FIG Young Surveyors Network

Chandan Das, Nepal
participated in the VCSP in Philippines

GLTN Partner Organisation:
Tampei

'Using open source tools like STDM
creates connection between
communities, government and NGOs by
empowering people to better
understand the tenure situation and
pave way towards improved access and
use of land. Thanks to GLTN, UN
Habitat and FIG YSN for providing
platform to experience this.'

STDM ToT.2

Next Phase

:: Training on STDM Concept

:: Training with special focus on Coding

Developers Community

What is needed?

to create a developers community who can also volunteer from 'home' by coding

Documenting

Documenting the past
experiences and set up
of the STDM ToT and
VCPS
